

Interplanetary Cruise Activity Plan (V-E Cruise)

NOTE: Spacecraft sequence activities were terminated in VE-14 on DOY 91-085 (March 26, 1991) due to a CDS B-String Bus Reset Safing event. The spacecraft was operated by real-time command and by mini-sequence until the start of EE-2' on DOY 91-246 (Sept. 3, 1991).
